## STRENGTHS

### Self Learning

I am a Btech CSE Drop in 2018, I like to code, I pursued my dream by learning myself and I achieved through online tutorials.

### Hard-working

I am pursuing my degree while I am learning coding and working in UAE as a sales executive.

### Solving complex problems

Problem Solving is my main strength I like to solve problems. As a self-taught front-end developer I face lots of problems in the beginning but I found solutions myself and achieved my dream.

### Fast Learner

If I like something to learn I found time to achieve it and I try to finish it as fast as possible.
